

Our Leadership

Dr. MSN Reddy

Founder, Chairman & Managing Director - MSN Group

A modest and compassionate humanitarian dedicated to bringing world class medicines within the economic and geographic reach of millions of patients worldwide, Dr. MSN Reddy (popularly known as Dr. MSN) is the Founder Chairman and Managing Director of MSN Group of Companies.

A PhD holder in Organic Chemistry from Osmania University, India, his steady career trajectory took him from the position of a chemist to Head - Research and Development in one of the leading Indian MNCs, before venturing out as an entrepreneur in 2003.

He started MSN Group with a vision to discover, develop and manufacture safe and innovative medicines for better health and improve quality of life. Dr. MSN believes that execution is the key to success and impeccable execution is only possible with an outstanding team. At MSN laboratories, talent is nurtured and professionals are transformed into tomorrow's leaders.

Under Dr. MSN's leadership, MSN Laboratories has shown exponential growth, making it one of the fastest growing Pharma companies based in India, with a worldwide presence. Today MSN laboratories have offices in major markets like USA, UK, Mexico, Colombia, Kazakhstan, Nigeria, Kenya and Vietnam.

Dr. MSN Reddy is the recipient of the prestigious 'Udyogh Rattan Award' presented by the Institute of Economic Studies, for his outstanding contribution in creating employment in the pharmaceutical sector in the country. In 2015, he was conferred with the 'Business Leader Award' by TV5 for his outstanding contribution.

The Chairman's vision is to make MSN Group a global Pharma leader in the upcoming decade.

Bharat Reddy, *Executive Director - MSN Group*

Bharat Reddy is the Executive Director of the MSN Group of companies. An accomplished technocrat with an experience of over 20 years, Bharat has displayed his adeptness in handling profiles including information technology, life science and pharmaceuticals.

Bharat holds an exemplary academic record with a Master's degree in Business Administration from the University of Florida, Masters in Computer Science from Florida Atlantic University and a third Masters from Clemson University.
